

Top Ten Final Thoughts about Creating an Online Professional Portfolio:

(10) An Online presence isn't static and doesn't sit in a binder collecting dust on a shelf in an office.

(9) It is widely accessible to yourself and others.

(8) Avoid propriety software.

(7) You can be creative and represent yourself in the way you want to be known.

(6) Be deliberate with your links.

(5) The online portfolio is never done and like the C.V. it should be updated regularly.

(4) One doesn't have to be a technological genius to join this community. Those who are technological geniuses have made it easy for us.

(3) Online portfolios allow for individuality.

(2) Online life is not going away.

(1) It's Free!!!
